

Nathan Rackley - Non-Commercial[†] Commission Prices - June 2015

I try to stay competitive with the current market prices for freelance illustration. Payments for all commissions are up-front on a job-by-job basis. Beyond payment I expect an illustration credit included with the piece at time of publication or posting and I retain the limited rights to publish the work in my portfolio and website

If you have any questions or comments, feel free to contact me at nprackley@gmail.com.
